2019-2020 Professional Learning November-December Update

Important Information – Please Share with Staff

12/6/19 – Deadline for Completing PL Elective Course Registration:

In an effort to improve efficiency, we're asking all providers to register for PL courses **by F 12/6/19**. Please be advised that courses with low enrollments (10 or less enrolled) as of 12/6/19 will be cancelled. The New AE Teacher Orientation course and The GED® course are exempt from cancellation to accommodate professional learning for new instructor hires throughout the fiscal year.

Professional Learning Electives – Additional Enrollments Needed – Enroll by End of Day on 12/6/19:

The Problem with Math Is English Part 1 – [KYSU 396](#) – 1/13/20 – 2/7/20: 8 currently enrolled
How to Make Distance Learning Work Using EdReady and NROC English – [KYSU 393](#) – 1/20/19 – 2/14/20; 5 currently enrolled
Collaborative Support for Students with Disabilities – [KYSU 392](#) – 2/10/20 – 3/6/20; 5 currently enrolled
The Problem with Math is English Part 2 – [KYSU 398](#) – 3/2/20 – 3/27/20: 5 currently enrolled
Getting the Most Out of KYSU Instructional Framework Series and Lesson Bank – [KYSU 384](#) – 2/10/20 – 3/6/20: 3 currently enrolled

Introduction to the Blended/Flipped Classroom RLA & Math – [KYSU 382](#) – 3/9/20 – 4/13/10: 3 currently enrolled

KYSU Professional Learning Model Mid-Year Survey – Please provide feedback by 12/12/19:

This is the first full year of implementing the new KYSU Professional Learning Model. Your mid-year feedback is valued and will help our team ensure the KYSU Professional Learning Model is tailored to meet local provider needs. Please follow [this link](#) to the brief, anonymous, 10-question survey and **complete by 12/12/19** (one week from today).

1/31/20 – Deadline Extended for Requesting Customized PL Option:

Please contact Emily Bosley at emily.bosley@ky.gov to schedule a customized PL elective, or to join a customized session that has already been scheduled with another provider near you.

Options include, but are not limited to, instructional technology special topics, free Google G Suite resources, Google Applied Digital Skills curriculum for adults, mathematics, RLA, BurlingtonEnglish, EdReady, WIN, contextualization, differentiation, and innovative models for building cohort-based instruction. Follow [this link](#) to the master list of PL customized options already scheduled. These customized sessions satisfy up to 6 hours of professional learning elective credit.

Please note the deadline was extended to 1/31/20 as courtesy to those who have encountered delays in anticipated instructional technology purchases. Customized options do not require Canvas pre-registration.

4/5-8/20 – Annual COABE Conference:

The [2020 COABE Conference](#) will be held in Baltimore, Maryland this year. Remember, programs seeking to send one or more persons to a KYSU-approved conference must seek prior approval from KYSU in order to use KYSU funds. Only KYSU performance funding may be used to by program directors or instructors to attend a conference listed in the KYSU PL Handbook. Please follow [this link](#) to the required KYSU Conference Attendance Form. Please return completed form to Lori.looney@ky.gov.

Please note that 2020 COABE Conference registration is now open. Early bird reduced registration rate expires on 2/14/20.

Directors and Assistant Directors – Please Hold These Dates:

3/26-27/20 – Q3 Director and Assistant Director Meeting, Lexington, KY (TH afternoon – F morning schedule modified to accommodate those who travel long distances.)
6/11-12/20 – Q4 Director and Assistant Director Meeting, Lexington, KY (TH afternoon – F morning schedule modified to accommodate those who travel long distances.)
