

KYSU PL UPDATE

Distance Learning (DL) Focus Edition
Vol. 1, Issue 2

3/30/20 Microlearning Monday Using Zoom for Instruction

Many thanks to Nichole Braun and Steven Schreck from Newport for presenting! If you could not access the live webinar, you can access the recording and slides at the links provided in your PLC Google Classrooms and the DL Hub.

- MM - Using Zoom for Instruction Recording
- MM - Using Zoom for Instruction Slides
(Slides contain hyperlinks to all resources referenced in session.)

Other MM 3/30 follow-up

- Information on becoming a Google Certified Educator [Level 1](#) and [Level 2](#)
- Join the Distance Learning Hub with code: (removed; email Emily Bosley for help)

Microlearning Mondays

Join us for short sessions on specific topics every Monday. Find session details on the Microlearning Mondays Schedule found in your PLC Google Classroom or the DL Hub. Share your ideas for session topics in our Microlearning Monday Brainstorm found in the same place.

Workshop Wednesdays will follow each MM session. For more details about WWs and to add specific topics to cover, check out the Workshop Wednesdays Schedule & Topic Spot found in your PLC Google Classroom or the DL Hub.

All sessions begin at 12 PM EST.

KYSU DL Collaborative Resource Guide

This statewide collaborative Google Doc (link removed) continues to grow! It serves as a living document for capturing DL-specific provider recommendations and CCP Team suggestions. Check out our recommendations and feel free to add yours!

PL Credit Option

If you still need PL credit for this year, you could become a Google Certified Educator or complete a [Self-Directed Learning Project](#) for 6 hours of PL credit.
