

## KYSU PL UPDATE

FY22 Start-Up Edition

Vol.3, Issue 1

### KYSU FY22 PL Kickoffs

And so it begins...again! Here's hoping that FY22 is a good year for all of us. KYSU Program Directors, Assistant Program Directors, and Experienced Instructors working 500+ hrs/yr are required to attend a KYSU FY22 PL Kickoff. College and Career Navigators are encouraged to attend to learn about the new PL curriculum for FY22. These events will be offered in 8 strategic locations around the state as a travel-limiting courtesy to providers. All kickoffs are scheduled for 9-4:00 local time. Breakfast and lunch will be provided.

FY22 PL, CCN, and KAERS/IG updates will be shared at all kickoff events. Plus, participants will register for PL in Blackboard, our new KYSU LMS. (A virtual kickoff option will not be available this year to allow for optimal, live support for provider onboarding to new LMS.)

Please consult the [KYSU FY22 PL Calendar](#) for a month-at-a-glance listing of all kickoff options, along with other important KYSU events/dates. Please follow [this link](#) to register for the KYSU FY22 PL Kickoff location in closest proximity to your program. **Registration deadline is 7/16/21.** Contact Leta Martin at [la.martin@moreheadstate.edu](mailto:la.martin@moreheadstate.edu) with any questions about KYSU FY22 PL Kickoffs.

### Microlearning Mondays/Workshop Wednesdays

We want to hear from you! Please follow [this link](#) to a survey that will allow you to give anonymous input on the time and topics covered in FY22 MM/WW sessions. **Survey response deadline is 7/16/21.**

### Hold the Dates - OP GED®

To encourage broader use of OP GED®, KYSU is requiring all provider-based ABE/GED® staff to attend **mandatory** OP GED® and GED® procedure review MM/WW sessions facilitated by Natalie Cummins on 7/26/21 and 7/28/21. If for some reason you cannot attend these live sessions, you will be required to view the recordings.

### Northstar

Last year, the CCP Team offered a “soft launch” of [Northstar](#) as a way to assist providers with digital literacy upskilling. As part of our FY22 full launch of Northstar, we’re encouraging broader use by KYSU staff **and students**. You can access recordings of our previous Northstar product orientation sessions here:
